

FEDERAL EMISSIONS CONTROL WARRANTY STATEMENT YOUR WARRANTY RIGHTS AND OBLIGATIONS

The EPA and Suzhou Parsun Power Machine Co., Ltd are pleased to explain the emissions control system warranty on your 2021 and later new small spark-ignition propulsion marine engines. In Federal, new small spark-ignition propulsion marine engines must be designed, built and equipped to meet the State's stringent anti-smog standards. Suzhou Parsun Power Machine Co., Ltd. must warrant the emissions control system on your new small spark-ignition propulsion marine engines for the periods of time listed below provided there has been no abuse, neglect or improper maintenance of your new small spark-ignition propulsion marine engines.

Your emission control system may include parts such as the carburetor, the ignition system. Also included may be hoses, belts, clamps, connectors and other emission-related assemblies.

Where a warrantable condition exists, Suzhou Parsun Power Machine Co., Ltd. will repair your small marine-SI engine at no cost to you including diagnosis, parts and labor.

MANUFACTURER'S WARRANTY COVERAGE:

For your outboard engines, the warranty period is 5 years.

For your personal watercraft engines warranty period is 30 months.

If, during such warranty period, any emission-related component or system on your marine-SI engine is found to be defective in materials or workmanship, repairs or replacement will be performed by a Suzhou Parsun Power Machine Co., Ltd. Authorized Warranty Service Facility.

OWNER'S WARRANTY RESPONSIBILITIES:

-As the new small spark-ignition propulsion marine engines owner, you are responsible for the performance of the required maintenance listed in your owner's manual. Suzhou Parsun Power Machine Co., Ltd. recommends that you retain all receipts covering maintenance on your new small spark-ignition propulsion marine engines, but Suzhou Parsun Power Machine Co., Ltd. can not deny warranty solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

-As the new small spark-ignition propulsion marine engines owner, you should however be aware that Suzhou Parsun Power Machine Co., Ltd. may deny your warranty coverage if your new small spark-ignition propulsion marine engines or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.

-You are responsible for presenting your new small spark-ignition propulsion marine engines to distribution center or service center authorized by Suzhou Parsun Power Machine Co., Ltd. as soon as the problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.

If you have any questions regarding your warranty coverage, you should contact Suzhou Parsun Power Machine Co., Ltd. customer service representative at 01-262-623-1513.

DEFECTS WARRANTY COVERAGE

Adopted by EPA, Suzhou Parsun Power Machine Co., Ltd. warrants to the ultimate purchaser and each subsequent purchaser that the new small spark-ignition propulsion marine engines (1) has been designed, built and equipped so as to conform with all applicable regulations; and (2) is free from defects in materials and workmanship that cause the failure of a warranted part to conform with those regulations as may be applicable to the terms and conditions stated below.

苏州百胜动力机器有限公司

Suzhou Parsun Power Machine Co., Ltd

(a) The warranty period begins on the date the engine is delivered to an ultimate purchaser. The warranty period is :

For your outboard engines, the warranty period is 5 years.

For your personal watercraft engines warranty period is 30 months.

(b) Subject to certain conditions and exclusions as stated below, the warranty on emissions related parts is as follows:

(1) Any warranted part that is not scheduled for replacement as required maintenance in your **Owner's Manual** is warranted for the warranty period stated above. If the part fails during the period of warranty coverage, the part will be repaired or replaced by Suzhou Parsun Power Machine Co., Ltd. according to Subsection (4) below. Any such part repaired or replaced under warranty will be warranted for the remainder of the period.

(2) Any warranted part that is scheduled only for regular inspection in your **Owner's Manual** is warranted for the warranty period stated above. Any such part repaired or replaced under warranty will be warranted for the remaining warranty period.

(3) Any warranted part that is scheduled for replacement as required maintenance in your **Owner's Manual** is warranted for the period of time before the first scheduled replacement date for that part. If the part fails before the first scheduled replacement, the part will be repaired or replaced by Parsun Power Machine Co., Ltd. according to Subsection (4) below. Any such part repaired or replaced under warranty will be warranted for the remainder of the period prior to the first scheduled replacement point for the part.

(4) Repair or replacement of any warranted part under the warranty provisions herein must be performed at a warranty station at no charge to the owner.

(5) Notwithstanding the provisions herein, warranty services or repair will be provided at all of our distribution centers that are franchised to service the subject engines.

(6) The engine owner must not be charged for diagnostic labor that leads to the determination that a warranted part is in fact defective, provided that such diagnostic work is performed at a warranty station.

(7) Parsun Power Machine Co., Ltd. is liable for damages to other engine components proximately caused by a failure under warranty of any warranted part.

(8) Throughout the engine warranty period stated above, Parsun Power Machine Co., Ltd. will maintain a supply of warranted parts sufficient to meet the expected demand for such parts.

(9) Any replacement part may be used in the performance of any warranty maintenance or repairs and must be provided without charge to the owner. Such use will not reduce the warranty obligations of Parsun Power Machine Co., Ltd.

(10) Add-on or modified parts that are not exempted by EPA may not be used. The use of any non-exempted add-on or modified parts by the ultimate purchaser will be grounds for disallowing a warranty claims. Parsun Power Machine Co., Ltd. will not be liable to warrant failures of warranted parts caused by the use of a non-exempted add-on or modified part.

(11) The manufacturer issuing the warranty shall provide any documents that describe that manufacturer's warranty procedures or policies within five working days of request by EPA.

EMISSION WARRANTY PARTS LIST

苏州百胜动力机器有限公司

Suzhou Parsun Power Machine Co., Ltd

The repair or replacement of any warranted part otherwise eligible for warranty coverage may be excluded from such warranty coverage if Parsun Power Machine Co., Ltd. demonstrates that the engine has been abused, neglected, or improperly maintained, and that such abuse, neglect, or improper maintenance was the direct cause of the need for repair or replacement of the part. That notwithstanding, any adjustment of a component that has a factory installed, and properly operating, adjustment limiting device is still eligible for warranty coverage. The following emissions warranty parts for each engine family list is covered.

(1) Fuel Metering System:

- (a) Gasoline carburetor assembly and its internal components
- (b) Carburetor gaskets
- (c) Clamps

(2) Air Induction System including:

- (a) Intake pipe/manifold
- (b) Air cleaner

(3) Ignition System including:

- (a) Spark plug
- (b) Ignition coil

(4) Catalytic Muffler Assembly including:

- (a) Muffler gasket
- (b) Exhaust manifold

(5) Crankcase Breather Assembly including:

- (a) Breather connection tube.

The warranty is provided in accordance with the "Federal Emission Control Warranty Statement".
